Hoodview News

**General Club Meeting
on December 15th at 7:30 PM
At Mt. Hood Community
College, Room 1001
Hope to see you all there.**

From The President — Scott Burrows, N7DOD

This year was an exciting year with many achievements. Here are some notable accomplishments we achieved in 2016. The club started a mentorship program lead by Shaun, N7TNP for new members. The training program was revamped using the Stu Turner program and lead by Cory, KA7IUG. Leslie Burrows and myself (Scott, N7DOD) worked on getting our club patches for caps, shirts, and jackets. Our weekly NET was improved by Art, WB7AUF and Len, N7HRG. It was my privilege to work with these outstanding club members this year!!

This year's ARRL Field Day we were able to make 500 contacts by 11 dedicated radio operators. Although the weather and band conditions were less than ideal, we had fun. We had several first time participants, and they all had a good time and learned a lot.

Our club participated in two community events this year. We volunteered for the March of Dimes Walk for Babies event, which was lead by Cory, KA7IUG. She always makes this event successful and productive for our community. Great job representing our club!!! The Ham Radio Outlet (HRO) asked our club to attend the grand opening and help with radio advertisement and contesting. We had a great showing of club members for the event. Thanks to all those participating!!!

The club celebrated their 40-year anniversary with a great picnic in August. It was wonderful to see so many of our past members and to view the archives laid out. The committee did a fantastic job.

We asked for suggestion on topics you wanted to see in 2016 and you delivered a great list. We were able to get Bonnie Altus, AB7ZQ the ARRL Northwest Vice Director to update our club on the leadership and vision of amateur radio. The Willamette Valley DX Club presented the techniques and methods for DX contesting. (Continued on page two)

Check into Two Hoodview Nets

The Hoodview Amateur Radio Club Information Net has been expanded to include the Club's 443.475 + UHF repeater. The tone is the same as the 28 machine 167.9. The UHF Information Net will follow the VHF net at 7:45 PM or after the VHF net if it goes past 7:45 PM. This is an attempt to assist more local amateurs in checking in to our Club's Net and broaden our exposure. Club members are encouraged to volunteer to be net control of either net.

Every Wednesday night:
HARC—2 M net on 147.28 MHz, at 7:30pm.
HARC—70cm net on 443.475 at 7:45 pm

Snow Cap Collection

The club will be collecting donations to help needed families at the Christmas Banquet and at the December meeting. If you would like to have the tax donation you can write a check to SnowCap and the club will forward your check for you.

2017 Nominations

Nominations were opened at the October club meeting. Nominations are still open if anyone would like to run or nominate a friend. We will close nominations at the December meeting and then take a vote for the slate of officers. At press time members nominated are:

President—Jim KA7AGH
Vice President—George W7GEO
Secretary—Cory KA7IUG
Treasurer—Shaun N7TNP
Board Member—Bob KG7JTT (2years)
Board Member—Len N7HRG (2 years)

Staying on to complete their two year term will be Chris KG7ADQ and Cindy N7PFY. Also staying on the board will be Scott N7DOD as Past President.

Stu Turner's Tech Book Buy Back

The education team decided to buy back used Stu Turner's Tech books for \$11 and will sell them at \$17 for upcoming classes. The books must be in good condition: no water damage, no torn pages, no excessive highlighting or notes. Contact Cory for details. This will help those that can not afford the full price.
